

# 22-23 MARCH 2021

# BATTERY SUMMIT

To transform the future,  
we have to act now.

ONLINE EVENT

## DAY 1 | Monday, March 22

The schedule outline for BATTERY Online Summit may be found below.  
Details will be added as sessions are finalized. All times are Western European Summer Time.

### 10h00 | Welcome

**Lars Montelius**, Director-General at INL - International Iberian Nanotechnology Laboratory

### 10h05 | Keynote Speakers

**Maroš Šefčovič**, EU Commission Vice-President for the Energy Union and EU Space Policy

**Elisa Ferreira**, EU Commissioner for Cohesion and Reform

### 10h35 | Overview of the Iberian Landscape in Batteries

### 10h45 *Break* - - - -

#### **Battery Value Chain**

These sessions will be organised following a round table model involving relevant stakeholders, both from research and industry, to debate the challenges, solutions and trends along the battery value chain, as well as market requirements.

### 10h50 | Session 1: Battery Applications ~ E- Mobility & Stationary

Moderator: **Thore Sekkenes**, European Battery Alliance Program Director – EIT InnoEnergy

**Bruno Azevedo**, CEO AddVolt

**Joana Azevedo**, Scientific Coordinator CEiiA

**André Botelho**, Head Energy Storage & Flexibility EDP Innovation

**Ramón Ordas Badía**, CEO Ferroglobe

**Nuno Silva**, CTO & Executive Board Member EFACEC

**Luís Seca**, Senior Researcher, Center for Power & Energy and Member of the Board INESC-TEC

**João Matos**, Director DST

Q&A time

### 11h35 | Session 2: Advanced Materials and Battery Manufacturing

Moderator: **Philippe Jacques**, Managing Director EMIRI Energy Materials Industrial Research Initiative

**Lifeng Liu**, INL Group Leader on Nanomaterials for Energy Storage and Conversion

**Sérgio Rodrigues**, CEO Meterboost

**Oscar Miguel**, Director CIDETEC

Q&A time

*End of day 1* - - - -

## DAY 2 | Tuesday, March 23

The schedule outline for BATTERY Online Summit may be found below.  
Details will be added as sessions are finalized. All times are Western European Summer Time.

### 10h00 | Welcome

**Jorge Fiens**, Corporate Communication and Marketing Manager at INL

### 10h05 | Keynote Speakers

### 10h15 | Overview of the Iberian Landscape in Batteries

**Luís Manuel Santos Moro**, Batteryplat EDP Spain

### 10h25 | Session 3: Raw Materials for the Circular Economy ~ Green Mining, Sustainable Processing of Raw Materials & Recycling and Recovery

Moderator: **Patrick Nadoll**, Assessment - EIT Raw Materials

**Ricardo Pinheiro**, CEO Lusorecursos

**David Archer**, CEO Savannah Resources

**Pedro Narzareth**, CEO Electrão

Q&A time

### 11h10 Break

### 11h15 | The Future of Batteries ~ Challenges and Opportunities

Moderator: **Johan Söderbom**, Thematic Leader, Energy Storage Smartgrids & Energy Storage

**Kristina Edstrom**, BATTERY 2030+ Project Coordinator

**Frank Gielen**, Director of Education - EIT InnoEnergy Benelux

**Miguel Portela**, Associate Professor with Habilitation - University of Minho

**Maria Helena Braga**, Representative Project ALBATTIS

Q&A time

### 12h00 | Keynote Speakers

**Manuel Heitor**, Portuguese Minister of Science, Technology and Higher Education

### End of the Battery Summit
